

Support access using technologies

Technologies offer multiple benefits for students.

They enable teachers to offer flexible options and supports to everyone.

- ✓ Students can personalise information to suit accessibility needs and preferences.
- ✓ Enables multi-sensory approach to sharing information.
- ✓ Enables visual and written information to be easily presented together.
- ✓ Allows students to rewind and revisit information and content as needed.
- ✓ Enables students to view videos supported by captions and transcripts.
- ✓ Increases student's confidence that they will be able to access information in ways that work for them.
