

Identify professional learning needs

To be effective, you need the knowledge to assess, plan, and implement targeted teaching that meets the needs of learners with dyslexia.

Use these questions to identify what supports or professional learning you need.

What is my understanding of:

- dyslexia and how it affects learning?
- strategies for teaching learners with dyslexia?
- a structured literacy approach?
- multi-sensory learning and dyslexia?
- classroom tools to identify literacy learning needs, develop a plan, and monitor progress for learners?
- Universal Design for Learning and how I can use it to create an inclusive approach?
- how emotions affect learning?
