

# Provide support and alternatives for handwriting

Provide a range of support and alternatives for printing and writing tasks.

## Examples of handwriting supports

- pen types, sizes, shapes, lengths and colours
- pen and pencil grips
- surface types, such as paper, whiteboards, laminated sheets
- lined paper to guide alignment
- furniture, such as an angled board, adjustable height tables, chairs for optimal positioning
- support for spacing between letters and words, for example using finger spaces.

## Examples of alternatives for handwriting

- keyboards
- onscreen keyboards, such as an iPad keyboard
- voice typing.
