

Approaches to support reading tasks

Work closely with the Resource Teacher of Vision, the learning support coordinator and student to ensure appropriate supports are in place.

- ✓ Location – preferred place in classroom, lighting source
- ✓ Presentation of materials – contrast, low-clutter, masking
- ✓ Lighting – glare, too much light, not enough light
- ✓ Ergonomics – posture, desk, seat, slant board
- ✓ Safety issues in the classroom – cords, furniture and equipment placement
- ✓ Alternative workspaces, for example, quieter spaces
