Ways to welcome new students

Discuss ways to welcome and support the new student with the class.

Suggestions can include:

- ✓ sending an email or a letter from the class
- ✓ sharing food and mihi on their first day
- ✓ creating a welcome booklet
- ✓ welcoming a hearing-impaired student using NZSL
- ✓ inviting a student to be a buddy to the new student to provide social and in-class support.

Being a buddy

Support students by giving them clear guidelines on how to be a good buddy.

Possible tasks for a buddy include:

- partnering with the new student for classroom activities
- introducing the new student to others, and including them in games and activities both inside the classroom and at break times
- explaining classroom and school rules, systems, and timetabled activities as they arise
- assisting with carrying any assistive technologies from one class to another
- having lunch with the new student.
