

UDL reflection questions

Multiple means of Engagement

How will I support engagement?

Multiple means of Representation

How will I support access & understanding?

Multiple means of Action and Expression

How will I support action & expression?

Access

1. Provide options for recruiting interest

- How will this affirm and strengthen Māori as tangata whenua?
- How can I increase relevance, value and authenticity?
- Where can I offer useful choices/autonomy?
- How can I minimise threats and distractions?

Build

4. Provide options for sustaining effort & persistence

- How will I build understanding of the purpose of the activity?
- How will I offer (and support) challenge and extension?
- How will I support collaboration and foster community?
- What options will I provide for feedback/feedforward?

Internalize

7. Provide options for self regulation

- How will I support motivation and self confidence in being a learner?
- What strategies will I offer to support personal coping skills?
- How will I support self-assessment and reflection?

2. Provide options for perception

- How can I make my materials adjustable and customisable?
- How will I make sure information is presented in more than one way, e.g videos with captions, podcasts with transcript, spoken instructions with graphic or text support?

5. Provide options for language and symbols

- How will I clarify understanding of vocabulary and language features?
- How will I support decoding of text, notation and symbols?
- How will I promote understanding across languages?
- What media options will I use to support understanding?

8. Provide options for comprehension

- How will I activate or supply background knowledge?
- How will I highlight big ideas, patterns and guide concept development?
- How will I support the transfer of learning from one context to another?

3. Provide options for physical action

- What different work spaces will I make available?
- Will everyone be able to access all: materials, tools, assistive technologies and spaces (physical and virtual)?

6. Provide options for expression & communication

- What media options will be offered to support communication?
- What tools will be offered to support the sharing of thoughts & ideas?
- What options will I provide to support increasing fluency and independence?

9. Provide options for executive function

- How will I support the development of skills in:
- goal setting
 - planning
 - managing/organising information & resources
 - monitoring progress?
