

Use multiple approaches to increase confidence

Discuss with the student what will support their participation and confidence.

Build the suggestions into your teaching practice.

- ✓ Ask students how they like to learn.
- ✓ Use students' interests and strengths as bases for teaching.
- ✓ Recognise and eliminate situations that students may find difficult or embarrassing because of their physical or cognitive differences.
- ✓ Foster tuakana-teina relationships and create a class culture where students support each other.
- ✓ Feedback success to students' parents and whānau.
- ✓ Recognise avoidance strategies and provide support and encouragement.
- ✓ Give students extra time to complete work.
- ✓ Make learning supports, such as text-to-speech and word prediction, available to all students.
- ✓ Enable students to contribute their ideas in collaborative work, without the challenge of lengthy writing tasks.
- ✓ Provide the student with strategies to help them when they get stuck.
