

Offer a range of approaches to support planning

Suggestions for supporting students' planning and organising.

- ✓ Use charts, visual calendars, colour-coded schedules, visible timers and cues to increase the predictability of regular activities and transitions.
- ✓ Encourage students to use their mobile devices to schedule alerts and reminders for regular and novel events and task deadlines.
- ✓ Highlight patterns, critical features, big ideas and relationships using visuals, mind maps, 3-D manipulatives, outlines, flow charts and real objects.
- ✓ Model and make available graphic organisers and flow charts to support planning and thinking in all curriculum areas.
- ✓ Break tasks and lengthy assignments into small manageable parts. Schedule workflow using [Trello](#) to organise what needs to be done and when.
- ✓ Provide options so that students can submit work online.
