

Partner with outside agencies

These agencies offer professional learning.

- ✓ [Allergy New Zealand](#) – guidelines and resources to assist parents and caregivers, educators, and school staff.
- ✓ [Anaphylaxis e-training](#) – free online modules for early childhood services and schools, developed by ASCIA.
- ✓ [Public Health Nurses](#) (PHNs) – schools are allocated a PHN to support and advise on children's health and liaise with family doctors, specialists, and other health providers.
- ✓ [EpiClub®](#) – provide an information resource pack for New Zealand teachers and students. The pack contains a range of tools that explain anaphylaxis and what to do in an allergic emergency. It includes a free EpiPen® training device.
- ✓ NZQA-approved, first-aid training for all staff. Check that the course provided includes training about anaphylaxis and trains according to ASCIA guidelines.
