

Legal requirements

WorkSafe NZ must be notified when work-related incidents/events occur.

Record and investigate all allergic reactions, whether mild or severe, that require medication and teacher time/attention.

Reportable incidents include:

- fatalities
- serious injuries and illnesses
- unplanned or uncontrolled workplace incidents that could put people at risk of serious injury or illness.

Schools and early learning services must:

- report, record, and investigate all incidents accurately and promptly
- identify any trends
- report these to their health and safety representative and/or BoT, and WorkSafe, if it is a notifiable incident.
