

Emergency treatment

The infographic is titled "Emergency treatment" in the center. It is divided into two columns: "With spacer" on the left and "Without spacer" on the right. The "With spacer" column shows a sequence of steps: 1 puff of reliever followed by 6 breaths, repeated 6 times, every 6 minutes, dial 111, and repeat until help arrives. The "Without spacer" column shows 6 puffs of reliever every 6 minutes, dial 111, and repeat until help arrives. The steps are color-coded: blue for the first two steps, light blue for the third, grey for the fourth, red for the fifth, and green for the sixth.

Emergency treatment

With spacer

1 puff of reliever → 6 breaths

repeat 6 times

every 6 minutes

dial 111

Repeat
until help arrives

Without spacer

6 puffs of reliever

every 6 minutes

Dial 111

Repeat
until help arrives
