The screenshot shows a web application interface for a student record. At the top, there are navigation tabs: Student Details, Medical Details (selected), Assessment Details, Observation Details, and Learning Support. Below the tabs, the student's name "Potter, Harry" is displayed. The "Medical Details" section is expanded, showing a table with the following data:

Category	Description
Critical Information	Gets severe asthma at least weekly.
Allergies	Allergic to Bee Stings.
Conditions	
Treatment	Requires an inhaler when breathing is difficult.

Below the Medical Details is the "Well-Being Details" section, which includes a "View -" button. Underneath, there is a table with a search bar and a "Display 10 records" dropdown. The table headers are: Type, Description, Date Opened, Date Closed, Author, and Status. The table content is empty, with the message "No data available in table" and "Showing 0 to 0 of 0 entries". A "Close" button is located at the bottom right of the interface.
