Personalise learning

Provide opportunities for learners to learn in ways that suit their needs and preferences.

- ✓ Set realistic, ambitious, and achievable personal targets.
- ✓ Create opportunities where learners can personalise learning tasks and projects to build on their culture, knowledge, experience and strengths.
- ✓ Discuss with learners the different ways they can share their thinking and demonstrate understanding.
- ✓ Develop success criteria with learners and present them with clear visual supports.
- ✓ Provide opportunities for learners to gain confidence using a range of media so they can select the most appropriate way to express their learning.
- ✓ Offer a flexible learning environment with a variety of seating and working spaces.
- ✓ Offer a reader-writer or assistive technologies to support success in assessments.

Support success in assessments

Discuss with learners what support they need to demonstrate their understanding in tests and assessments.

Talk about:

- possible barriers created by the physical environment: unfamiliar layout of a room, lighting, temperature
- possible barriers created by the design of materials: cluttered presentation, hard-to-read diagrams, unclear layout, hard-copies only
- ways to manage time allocations such as using visual timers
- negotiating breaks and extra time
- managing anxiety through mindfulness, positive self-talk, and identifying solutions to anticipated problems prior to the assessment
- using digital technologies such as text-to-speech and predictive text or a reader-writer
- pre-teaching specific test skills, such as how to approach multiple choice questions.

Useful resources

Visual scene displays assist children who are having difficulties developing verbal skills.

These displays can be particularly useful for autistic learners who are emergent communicators.

Visual scene displays: Creative ways to promote communication

Read time: 7 min

An explanation of what visual scene displays are, ideas on how to use visual scene displays, and the benefits for students with learning difficulties.
