

Support concentration

Provide options to support concentration and minimise distractions.

- ✓ Monitor and moderate the classroom for visual and auditory distractions.
- ✓ Encourage learners to adapt the environment to meet their needs by, for example, wearing headphones, moving to a quiet environment or taking a walk to support their thinking.
- ✓ Present information in a range of ways over an extended period of time to help learners to retain information, build their understanding and stay focused.
- ✓ Discuss with ākonga the effectiveness of the classroom and make modifications and remove barriers where needed.
- ✓ Use of visual prompts and cues to support understanding and access to learning materials.
- ✓ Make links to background knowledge or previous learning to increase connections.
- ✓ Schedule regular short breaks for physical movement.
