

Use the curriculum to develop opportunities

Take a creative approach to building children and young people's understanding of brain injury.

- ✓ Role-play activities and stories
- ✓ Units of study within the health and physical education curriculum
- ✓ Projects and inquiries that inspire passion
- ✓ Units of study related to forces in science or physics
- ✓ Units of study related to how the brain works
- ✓ Student and/or teacher inquiry projects focussed on brain injury and how to support recovery
