Support independent reading

Provide students with choices.

Support them to select options that support their learning.

Utilise technologies

Using a netbook gives Tyler the freedom to write creatively rather than being inhibited by the speed of his handwriting or his ability to form letters.

Use recommended writing approaches

Examples of recommended activities to support writing.

- ✓ Support a student by providing a scribe or using speech-to-text so they can communicate their ideas effectively.
- ✓ Use a recording device to record ideas orally.
- ✓ Use planning tools and strategies such as brainstorms and mind maps.
- ✓ Use storyboards to organise ideas and provide a structure.
- ✓ Use images and word or blends charts to support vocabulary.
- ✓ Use a checklist to focus on sentence structure or grammar.

Useful resources

The School Journal Story Library

School Journal Story Library is a targeted instructional series that supplements other instructional series. It provides additional scaffolds and supports for teachers to use to accelerate literacy learning for students in years 5-8 who are reading 1-2 years below expectation. The series includes books, teacher support materials, and audio.
