

# Support belonging and confidence

Ask students who are deaf or hard of hearing what is working well and where support is needed.

Develop strategies together.

- ✓ Develop a range of communication skills and strategies that can be used in different environments, situations, and reflect on their impact.
- ✓ Develop vocabulary that describes feelings and emotions.
- ✓ Provide opportunities for students to express what they know and share their experiences in ways that work for them.
- ✓ Build on personal interests, strengths and culture.
