Recognise diversity as a strength

Learn about diversity and equity with your students. See the Universal Design for Learning guide on this website for more information.

“Diversity” needs to be recognised as a strength for a future-oriented learning system, something to be actively fostered, not a weakness that lowers the system’s performance.

Diversity encompasses everyone’s variations and differences, including their cultures and backgrounds.

Rachel Bolstad and Jane Gilbert, with Sue McDowall, Ally Bull, Sally Boyd and Rosemary Hipkins
