approach

Establish a team

Take a team approach to providing responsive support.

- ✓ Be guided by ākonga and their whānau.
- ✓ Involve your learning support coordinator or RTLB.
- ✓ Identify and connect with colleagues who have relevant past experience.
- ✓ Consider connecting to external expertise or agencies.

approach

Take an inquiry approach

Develop a responsive evidenced-based process of working together that supports learner self-advocacy.

- Support the akonga and whanau to lead and guide the conversation.
- Work collaboratively to identify key learning goals, responsibilities and what success would look like.
- Share concerns, questions, and ideas.
- Consider akonga strengths as well as barriers to learning.
- Identify how solutions or strategies will be implemented, refined and reviewed.
- Discuss how to assess learning in ways that work for akonga.
- Agree on how to stay in touch and share information.

approach

Gather useful data

Build a full picture of your learner's strengths, needs and preferences, such as:

- sensitivities and preferences
- ways they learn successfully
- language and communication skills
- gross and fine motor skills
- literacy skills
- numeracy skills
- ability to act independently
- social skills and ability to form relationships.
