

# Take a multi-sensory approach

Offer learners multiple opportunities to build understanding using all their senses.

- ✓ Offer real experiences, physical activity, and manipulables to support understanding.
- ✓ Support text and spoken information with photos, graphics, audio, and video.
- ✓ Present digital text rather than printed text so that ākonga can personalise it by enlarging it or listening to it.
- ✓ Use online tools such as Google Slides or blogs to bring multimedia together, so learners have content options presented in different media all in one place (for example, a YouTube video, a graphic and some text).
- ✓ Make instructions, demonstrations, or key content rewindable and accessible 24/7.
