## New Zealand organisations

Develop relationships with FASD networks and community partners.

Fetal Alcohol Spectrum Disorder – Caregiver Action Network (FASD-CAN) is a non-profit incorporated society of parents, caregivers, extended whānau and health professionals. It offers a wide and comprehensive range of resources.

Resources include [webinar recordings](#) on a range of topics including what works in schools for tamariki and rangatahi Māori with FASD.

**FASD-CAN** offers further education on FASD.

## Work with RTLB

The Resource Teachers: Learning and Behaviour (RTLB) Service are available to work alongside schools and kura to provide learning support when it is needed. They are specialist, itinerant kaiako or teachers who work across a number of schools and kura.

RTLB work alongside whānau, and other agencies, to plan support based on the evidence of what works. They can assist with assessments and identifying strengths and next steps.
