## Get the right people around the table

Bring together a team to work in partnership with the student and their whānau.

- ✓ Discuss with the student and their whānau who could be part of a supportive team, for example, the RTLB, Learning Support Coordinator, support worker, dean.
- ✓ Consider asking colleagues who have experience of teaching students with FASD if they would like to contribute.
- ✓ Consider connecting to external expertise or agencies with specialist knowledge.
- ✓ Build regular times for communication.
