

Determine trends and needs

Use assessment data to determine overall trends and to set school-wide goals.

- ✓ Gather dependable information about the status of a student's (or group of students') learning.
- ✓ Accurately aggregate and present information in order for it to be easily understood.
- ✓ Interpret and evaluate information for individuals and groups of students in order to decide on what to do next to support learning.
- ✓ Present and share information to build partnerships for learning (with parents, whānau, colleagues, boards).
- ✓ Set challenging but achievable targets for improved student achievement.
