Tailor formats

With the support of the student's Resource Teacher of Vision, discuss with the student what multimedia approaches might work best for them.

- Paper: regular print, enlargement of small amounts of text, large print text, handheld magnification, video magnification, reading guides.
- Digital: plain text with no enhancements, tracking support, changing text or background colours, magnifying text or the entire screen, auditory supports.
- Audio: a person reading, MP3 players, podcasts, audio books and video.
