

Approaches to support reading tasks

Work closely with the Resource Teacher of Vision, the learning support coordinator and student to ensure appropriate supports are in place.

- ✓ Adapted workspaces (for example, quieter spaces).
- ✓ Storage space for large print materials.
- ✓ Ergonomics (positioning and seating).
- ✓ The presentation of materials (slant boards, masking tapes, colour overlays).
- ✓ Lighting (glare, too much light, not enough light, type of lighting).
- ✓ Student seating (preferential seating, lighting source).
- ✓ Power sources (surge protection, charging batteries, extra batteries).
- ✓ Portability (equipment mounted on a cart, accessibility within the school, heavy equipment).
- ✓ Peripherals (for example, headphones).
- ✓ Safety issues in the classroom (cords, furniture and equipment placement).
