

Support resource management

With the support of the student's Resource Teacher of Vision, discuss with the student how they will manage their multimedia resources.

- ✓ Paper strategies: regular print, enlargement of small amounts of text, large print text, handheld magnification, video magnification.
- ✓ e-Text strategies: plain e-text with no enhancements, tracking support, changing text or background colours, magnifying text or the entire screen, auditory supports.
- ✓ Auditory strategies: using a live reader, listening to text on CDs, MP3 players, audio books and video.
