

# Develop systems for monitoring and evaluating student learning within a collaborative environment

A suggestion for implementing the strategy 'Develop inclusive teaching practices' from the Guide: [ILEs](#)

---

## **Includes:**

- Use collaborative tools
- Use Google spreadsheets
- Share information and strategies
- Provide learning pathways
- Support learners

---

## Use Google spreadsheets

In this Year 4 class, planning is shared via a [Google Sheet](#) spreadsheet with students using a “must do – can do” system. Learning goals, progress, and next steps can be viewed at any time.

## Share information and strategies

Your school's SMS provides a central repository for collating information, setting goals with students, and monitoring progress.

# Provide learning pathways

The learning pathways at Ormiston Primary School are housed in a Google site. They enable students to work at their own pace and connect with teachers as they need to.

## Support learners

In a collaborative teaching environment teachers have more flexibility to be responsive to, and meet the needs of individual learners.
