

Visit the new space regularly

- ✓ Arrange for students to visit the new spaces on several occasions before moving in.
- ✓ Show photographs or videos of the new spaces and talk about what will happen in them.
- ✓ Prepare a scrapbook on the new space for students to familiarise themselves with how it looks, and where they can work in the space.
- ✓ Discuss any concerns the students may have about the move and address these directly.
- ✓ Use social stories to practice routines, systems, and ways of working.
- ✓ Visit locations in the new space that may be different to the current classroom space (for example, work spaces, the gymnasium, the cloakroom).
