

Use He Pikorua practice principles

He Pikorua is a framework that supports practitioners to deliver learning support services.

It is one of the ways the Ministry of Education aims to strengthen how learning support is provided, so that all students get the right support, in the right place, at the right time.

The practice principles are:

- mokopuna and whānau-centred
- collaborative
- strengths-based
- culturally affirming and responsive
- inclusive
- ecological
- evidence informed.

The practice principles are fully described on the Ministry of Education website for Learning Support practitioners.
