

Ideas for presenting content

Ideas for presenting content in a variety of ways to support understanding.

- ✓ Take a multisensory approach – use real experiences, physical activity and manipulables.
- ✓ Provide multiple visual and concrete examples of information. Use infographics, real objects, images, video, and interactives on devices.
- ✓ Support text with visuals and audio. Turn on the [closed captions on videos](#).
- ✓ Present digital rather than printed text so that students can personalise the ways they access it.
- ✓ Use blogs, wikis and online tools such as Moodle to bring together different versions of content in one place, for example, a YouTube video, a graphic and some text.
