

Utilise technologies

Use technologies to enable learning.

- ✓ A computer or a tablet provides language and visual support that can be revisited as often as required.
- ✓ Information can be presented in multisensory ways and presentation can be adapted to individual needs, supporting independence.
- ✓ A combination of visual and auditory stimuli is provided.
- ✓ Students can learn at their own pace and revisit to consolidate learning as often as they like.
- ✓ Differentiated work can be presented flexibly in order to meet individual learning requirements.
