

Integrate LGBTIQ+ content into the curriculum

Talk about and include LGBTIQ+ people and issues across the curriculum through:

- ✓ normalising LGBTIQ+ people, same-sex relationships, and gender diversity
- ✓ having positive representations of LGBTIQ+ people – invite role models the students can identify with into the classroom
- ✓ using videos and books that illustrate diversity as both normal and everyday, and also something to be celebrated
- ✓ reading children's books that break gender-role stereotypes
- ✓ interrogating and deconstructing texts that assume heterosexuality or gender stereotypes
- ✓ visually showing your support for diverse families by displaying images of diverse relationships on the classroom walls
- ✓ using celebrations such as mother's and father's day to talk about diversity and celebrate all forms of relationships
- ✓ modelling values of fairness, empathy, acceptance, kindness, respect, and responsibility to and for all people
- ✓ ensuring that classroom responsibilities are inclusive, gender-balanced and not stereotyped.
- ✓ acknowledging and investigating notable international LGBTQA+ dates and events in your school or classroom.
