

Embrace, value and support a thriving Pacific community

Actions we can take to support our Pacific communities.

- ✓ Listen to and learn more about your learners and families regarding their experiences. What do they want to change? What's stopping them learning and developing? How safe do they feel?
- ✓ Commit to professional learning and development around anti-racism and discrimination
- ✓ Establish a process to confirm how to pronounce names and how to identify learners correctly, including gender identity markers. Record correct ways to identify students.
- ✓ Review policies and practices around same-ability grouping and streaming. Who is being affected by these policies and how?
- ✓ Regularly reflect on and engage with learners and families about what's happening
