

School grounds | Te taiao kura

There are several areas within the school grounds that may require further attention. These include:

- fences
- gates
- classrooms
- hallways
- bag bays
- wheelchair access
- walkways
- boundary fences
- emergency assembly areas.

If there are accessibility or safety issues to be addressed before ākongā start school, work with the learning advisor within the Ministry of Education and their property advisors to identify whether these are maintenance requirements of the school or modifications that require external funding.
