The screenshot shows the top navigation bar of the Ministry of Education website (education.govt.nz) with social media icons and links to 'ABOUT US' and 'CONTACT US'. Below this is a horizontal menu with five categories: HOME, 0-6 YEARS Early Learning, 5-19 YEARS School, 16+ YEARS Further Education, and PARENTS. The '5-19 YEARS School' category is selected, leading to a breadcrumb trail: HOME > 5-19 years > Supporting students > Students with learning support needs > Assistive technology. The main heading is 'Assistive technology', followed by a definition: 'Assistive technology (AT) is specialised equipment and technology that students with additional learning needs use in class to increase or improve their ability to participate and learn.' Below this is a list of links: 'Who can apply for assistive technology', 'Applying for assistive technology', 'Setting up and managing the assistive technology', 'Loss, repairs and maintenance of equipment', 'When a student transfers or leaves school', 'Forms and information sheets', and 'Examples of students using a variety of assistive technology'.
