

Partner with whānau

Connect with parents, whānau, and caregivers to understand the strengths and needs of learners.

Make connections wherever you can.

- ✓ Invite families to share approaches that are successful at home.
- ✓ Identify potential barriers and ask families for solutions based on their personal experiences and expertise.
- ✓ Encourage whānau to share successful tools and equipment they use at home.
- ✓ Ask families to share a learner's likes and interests, what they're good at, what they need help with, and what they can do independently.
