

Access and participation for every learner

The Statement of National Education and Learning Priorities (NELP) & Tertiary Education Strategy (TES)

The Statement of National Education and Learning Priorities (NELP) and the Tertiary Education Strategy (TES) are issued under the Education and Training Act 2020. The NELP must be consistent with the objectives for education. These are helping children and young people to attain their educational potential; preparing young people for participation in civic and community life and for work; and promoting resilience, determination, confidence, creative and critical thinking, good social skills and the ability to form good relationships; and helping children and young people to appreciate diversity, inclusion and Te Tiriti o Waitangi.

The TES must set out the Government's long-term strategic direction for tertiary education, including economic, social, and environmental goals, and the development aspirations of Māori and other population groups. One of the purposes of the Act is to establish and regulate an education system that honours Te Tiriti o Waitangi and supports Māori-Crown relationships. Section 8 sets out the main provisions of the Act in relation to the Crown's responsibility to give effect to Te Tiriti o Waitangi. These provisions include obligations in relation to Te Tiriti o Waitangi for school boards, tertiary education institutions and education agencies.

The NELP and TES are statutory documents enabled by the Education and Training Act 2020 that set out the Government's priorities for education. This document forms both the NELP (priorities 1-7) and the TES (priorities 1-8). Some aspects of these priorities will be more applicable to one sector than others. The NELP is designed to guide those who govern licensed early learning services, iwi kōhanga reo, schools and kura.

In particular, licensed early learning services are required to have regard to the NELP as part of the Governance, Management and Administration (GMA) Standard. Boards of schools and kura must have particular regard to the NELP, including when developing or reviewing their charters. The TES sets the direction for tertiary education. Tertiary Education Organisations are required to show how they have regard for the TES. The Tertiary Education Commission must give effect to the TES, and the New Zealand Qualifications Authority must have regard for the TES.
