

Value and develop staff capacity

Build staff capacity and confidence in inclusive practices.

The principal and leadership team will create opportunities for staff to identify:

- ✓ areas where students will need support based on ongoing data collection
- ✓ immediate professional learning needs related to individual students, or teacher inquiry
- ✓ areas of personal experience and knowledge that they are happy to share with colleagues
- ✓ preferred learning pathways, for example, workshops, large meetings, one-to-one conversation, coaching and mentoring.
