

Use multiple tools for construction, composition, and creativity

Use multiple tools for construction, composition, and creativity

Action & Expression

- Use spell checkers, word-prediction, speech-to text software or other audio and video recording options.
- Use graphing calculators, geometric sketch pads or pre-formatted paper.
- Use sentence starters, story webs, mindmaps, concept mapping tools.
- Use Computer-Aided-Design (CAD), music notation software, or mathematical notation software.
- Use web applications (e.g., collaborative applications, animation, presentation, generative AI for research, editing, idea generation).
