

Reflection questions

How can I/we:

Provide options and flexible pathways within tasks or a lesson?

Involve all students in creating choices?

Offer options that align with learning preferences and needs?

Provide classroom activities and materials that students are able to personalise?

Provide culturally relevant classroom activities, materials, and contexts?

Offer multiple strategies to support problem solving?

Introduce ideas and concepts in ways that capture students imagination?

Create a safe and distraction free environment?

Build flexibility into lessons to allow breaks?

Collect ongoing student feedback in different ways to inform the design of lessons, resources, and materials?
