

Reflection questions

In what ways do I support student motivation, effort, and concentration?

Multiple strategies to support student motivation, effort, and concentration (for example, shared goal setting, paper or digital-based scheduling tools; prompts or scaffolds)?

Varying levels of challenge that motivate all students (for example, differentiate the degree of complexity or difficulty, provide alternatives in the tools or scaffolds)?

Flexible opportunities for students to communicate and collaborate (for example, cooperative learning groups, peer interaction)?

Feedback about progress in learning to learn (for example, reflecting on effort and perseverance, use of strategies)?
